

The HANDLE® Approach to Neurodevelopment and Learning

HANDLE Introductory and Basics Course (Levels 1&2)

Saturday, Sunday September 9-10 2017 9:00 am—5:00 pm

BeeLoved Farm, 2947 Ponderosa Road, Shingle Springs, CA 95682

Is someone
you know
struggling
with learning,
attention, motor
or behavior
challenges?

Are you looking
for deeper
understanding,
new answers, and
how YOU can
help?

A 16-hour workshop for parents and professionals

- Understand what behaviors can reveal about neurological irregularities using the HANDLE paradigm
- Recognize subtle signs of stress and learn how to use Gentle Enhancement® to prevent crises and foster resilience
- Learn activities that enhance focus, reduce stress, and support learning
